

## A GUIDE TO MEDIATING IN SCOTLAND

Dec 02, 2020

[A Guide To Mediating In Scotland](#)

A Guide to Mediating in Scotland maps the diverse mediation terrain in Scotland. It highlights the basic skills of a mediator and explores what works in different practice areas, looking at what they have in common and the differences between them. As a comparative guide to the different areas of mediation that are developing across Scotland, it gives an overview of the breadth and diversity of mediation, and an insight into the work of the Scottish Mediation Network.

The Act: The Civil Evidence (Family Mediation) (Scotland) Act 1995. Role of the Family Mediator: The Family Mediator's role is to facilitate the parties' discussions, in an even handed and fair manner. Independence: The Family Mediator must be independent and must not have acted previously for either or both of the parties as a solicitor.

[Resolving disputes without going to court in Scotland ...](#)

Scottish Mediation's proposal is that an Early Dispute Resolution Office should be established across all courts and tribunals in Scotland, which would review each new case and direct appropriate cases towards mediation. The presumption is that cases will be referred to mediation unless there is a good reason not to do so. Parties would be required to attend mediation before their case can ...

This chapter provides an overview of mediation in Scotland in 2008. Scotland has made significant progress in recognising the potential for mediation to help people, organisations and others to address disputes and differences. The first family mediation services were introduced in the country in the 1980s, while community mediation began to emerge in the 1990s, along with civil and commercial ...
