Das agile Feature von Project Online steht allen Office 365-Abonnenten mit den Lizenzen "Project Online Professional" und "Project Online Premium" zur Verfügung. Anwender der OnPremise-Version von Microsoft Project 2016 (Standard oder Enterprise) müssen leider auf dieses Feature verzichten. Die Systemvoraussetzungen sind die gleichen wie bei der Nutzung von Office 365 ProPlus. Als Betriebssystem benötigen Sie mindestens Windows 7 mit Service Pack 1 oder höher.

Scrum project management is a methodology for managing software delivery that comes under the broader umbrella of agile project management. It provides a lightweight process framework that embraces iterative and incremental practices, helping organizations deliver working software more frequently. Projects progress via a series of iterations called sprints; at the end of each sprint the team ...
