[Being a Beast: Adventures Across the Species Divide by ...](#)

A lyrical, intimate, and completely radical look at the life of animals—human and other—Being a Beast mingles neuroscience and psychology, nature writing and memoir to cross the boundaries separating the species. It is an extraordinary journey full of thrills and surprises, humor and joy. And, ultimately, it is an inquiry into the human experience in our world, carried out by exploring the full range of the life around us.

[Being a beast : adventures across the species divide \(Book ...](#)

Being a Beast: Adventures Across the Species Divide. The premise of Being a Beast is as misleading as it is wacky: a man tries to live as a badger, then as an otter, a fox, a deer and a swift, in order to understand what it's like to experience the world as a wild animal. But beneath the surface, this series of philosophical essays represents nature writing of the highest order: probing ...

Being a Beast: Adventures Across the Species Divide by Charles Foster My rating: 2 of 5 stars. I started off greatly intrigued by the premise, but my expectations for what the book was going to be ended up not panning out. From the author's forward, what I imagined I would be reading was a series of narrative nonfiction essays told from the ...

Being a Beast reads like what you might get if you took a writer like Julian Barnes or Anthony Lane and dropped him into the woods with only a granola bar and a pointy stick...Mr. Foster builds a case that it is important and, indeed, oddly humanizing to try to get close to nature. You may find yourself in agreement while being glad it's him out there, not you...this is not a typical nature book. Mr. Foster will go far out of his way to make a stray point, or especially to make a joke. He ...

Being a Beast : Adventures Across the Species Divide by Charles Foster. Overview - A passionate naturalist explores what it's really like to be an animal--by living like them. How can we ever be sure that we really know the other? To test the limits of our ability to inhabit lives that are not our own, Charles Foster set out to know the ultimate other: the non-humans, the beasts. And to do ...

Being a Beast: Adventures Across the Species Divide (2016) We piled into Burt's Land Rover and went to the farm. I had thought of enlarging a disused sett, but I wasn't confident of persuading the police that I wasn't badger digging, and I didn't like the idea of inhaling, along with the good earth of mid-Wales, a huge dose of TB bacilli.

[Being a Beast: Adventures Across the Species Divide BEING ...](#)

Charles Foster, author of Being a Beast: Adventures Across the Species Divide, proposes that humans spend less time thinking about or even observing animals and more time emulating them. To appreciate what it's like to be an otter, try catching fish in your mouth. To appreciate what it's like to be a fox, try sleeping under a porch by day and foraging through garbage bins at night.
