[Being A Girl - Plan to eMpower](#)

Being a girl definitely has its pros and cons. We have the tools to enhance our appearance and trick other people into thinking we are good looking. We have an undeniable power over men that is best described as "having boobs." We get into the bars/clubs for free and rarely need to open our wallet. However, being a girl takes a lot of hard work.

[The Struggles Of Being A Girl](#)

Being a girl has never been easy for us. We are the most astounding creation of God. We are ought to have all the blessings of life but that's not true. Being a girl itself is a challenge. We are allowed to dream but clasped tightly when we try to achieve them. We are made to study hard and earn accolades just to make sure that we settle down with a perfect groom. We are taught sturdy ...

I love being girly. From extra puffy tulle skirts, to sparkly gold flats, I am a girly girl through and through. That doesn't mean I'm scared to break a nail or get my hands dirty, but I love dressing up and being girly. Sometimes I wish I could zoom back in time and live for a few years in the Andy Griffith days. Getting to dress up in adorable dresses every day just to go to the grocery ...

The first thing to understand is that if you feel like you're a girl, you want to be a girl, and you believe that you were supposed to be born a girl, then you ARE a girl. And you are just as much a real girl as any cisgender girl. If you see a girl that you want to be, try writing down the things about her that you want for yourself. Circle the things that you can do without your parents getting you in trouble, and take them one step at a time. Once it's safe, you can take the ...
