Breathing Room is a book for any woman who's dreamed of wandering through a vineyard, of lazing under the Tuscan sky, or of reforming a deliciously wicked man. This is a story of hope and renewal, of love and redemption when it's needed the most. Sometimes it takes a special place... a special love... a little breathing room... for life to deliver all its glorious promise.

I have listened to many books by Susan Elizabeth Phillips, she is an amazing author that has the ability to create quirky, funny and charming romances. She can bring out the humor of everyday life, her characters have a quick dry humor that gets me every time. Breathing Room is so entertaining that I found myself laughing out loud in many places. Parents could relate to this story in many areas, such as having children climbing into your bed at night to keep the monsters away, or the joys of ...
