My life was fairly symptomatic of a modern woman: a time-pressured single working mother. Life felt really demanding, I spent a lot of time trying to please a lot of people and yet often still end up simply feeling anxious, guilty, inadequate, tired and overwhelmed with it all. I'd been brought up to conform. To play it safe. To say Yes, despite my inner voice screaming NO. I suffered a ...

The Three-Minute Breathing Space Practice. There are three steps to the practice: Attend to what is. The first step invites attending broadly to one's experience, noting it, but without the need to change what is being observed. Focus on the breath. The second step narrows the field of attention to a single, pointed focus on the breath in the ...

In Breathing Lessons, each character has an individual interpretation of the concept of family that coincides with his understanding of his own identity. Ira feels trapped by his family: "his sisters' hands dragged him down the way drowning victims drag down whoever tries to rescue them." This view extends from Ira's perception of himself as someone cheated out of his dreams. One of ...

Breathing Lessons is one of my favorites. I was a little hesitant to purchase the Hallmark Hall of Fame video of the novel since, in my opinion, movie renditions either don't follow the story line or the actors are not the best choices for the role. However, I was pleasantly surprised by the movie adaptation, the actors, and the rigorous adherence to the plot. The quality of the tape was good ...
