Even if I don't get to use it for what it was intended for, I like collecting books, and can enjoy reading and looking at it anyway, as well as it adds to my collection of auto repair manuals. I have several dating back to the 50's and 60's. My Great Uncle was a mechanic, and before he passed away I was fortunate to obtain most all of his auto repair manuals from his garage. I cherish these ...

See, for a long time I was pushing online repair manuals from Alldata and Mitchell1. I made some money, and in all fairness, they have a great product. The online manuals gave excellent repair information, had the exploded views and wiring diagrams that I needed to fix my car plus kept me up to date on recalls and TSB information. Well something has shaken up the industry and it's this ...
