Medieval men of letters, like their modern counterparts, could sometimes be over-eager to recover the colourful rites and leafy folk beliefs of their pagan ancestors. This phenomenon is encapsulated in the mythical rite of blood-eagling, the ritualistic killing of an enemy by splitting their ribs and spreading them to look like eagles' wings.

[Journal of Medieval and Early Modern Studies](#)

The usual division of philosophy into 'medieval' and 'modern' obscures the continuities in philosophy up until 1700. This book examines three areas where these continuities are particularly clear: knowledge, the mind, and language. It does so through three chapters, by different authors, each followed by a detailed response. The first chapter shows how Descartes attacked faculty ...

[medieval and early modern science - ZVAB](#)

Medievalism has become a central concern for those studying and teaching medieval history. It can be distinguished from traditional medieval history because it is not directly concerned with the study of the Middle Ages themselves, but rather it looks at how ideas about the medieval era operate in modern culture. This volume breaks new ground by moving beyond the arena of contemporary popular ...
