Egyptian Revolutions: Conflict, Repetition and Identification by Amal Treacher Kabesh. The socio-political context of Egypt is full of the affectual burdens of history. The revolutions of both 1952 and 2011 proclaimed that the oppressive, colonial past had been overthrown decisively. So why has the oppression perpetrated by previous regimes been repeated? What impact has this had on the lives ...

Egyptian Revolutions looks at the impact of the current events in Egypt on citizens in relation to matters of belonging, identification and repetition. It contests the tendency within postcolonial theory to understand these events as resistance to Western imperialism and the positioning of activists as agents of sustainable change. Instead, it pays close attention to the continuities from the ...

[Egypt's colonisation struggles in focus](#)

By Amal Treacher Kabesh. Abstract. During January and February of 2011 the political activity that took place in Egypt was celebrated and heralded as a positive move towards democracy and social justice. This optimism was heartfelt and as the Mubarak Regime collapsed we (Egyptian citizens) were convinced that Egypt was about to become a society based on social justice. Dignity based on ...
