The Les Paul Guitar Hero guitar can be identified by its guitar shape, plastic material, lack of strings, fake strum button, and colored buttons on the neck. It also has a much rounder shape than the original guitar design. The Les Paul should also have Gibson at the top of the neck. If there are fret buttons near the base of the guitar, you have a rock band guitar and that may be different ...

Guitar Hero is a rhythm-based game for the PC, PlayStation 2, Nintendo Wii, PlayStation 3, and Xbox 360. You play a "guitar" in time with many well known tracks. Playing requires nothing more than a sense of the music's beat, a small degree of patience, a love of at least a few of the songs present, and most importantly - ludicrously dexterous fingers (a skill which can be acquired).
