In simpler terms, promotion refers to upward movement in present job leading to greater responsibilities, higher status and better salary. Promotion may be temporary or permanent depending upon the organizational requirement. According to Clothier and Spriegel, "promotion is the transfer of an employee to a job which pays more money or one that carries some preferred status."

Since Kenya's independence in 1963, the Kenya Police has been linked with the protection of a small political and economic elite at the expense of the protection of all citizens' rights: this contributed to the public's image of the police as a hostile, abusive, corrupt and ineffective force. In addition to this, the police lacked the necessary equipment to carry out their duties, had to ...
