[Living Wills Va Guide On How To Prepare A Personalized Living Will Planning For Future Medical Decisions Your](#)

Living wills and other advance directives are written, legal instructions regarding your preferences for medical care if you are unable to make decisions for yourself. Advance directives guide choices for doctors and caregivers if you're terminally ill, seriously injured, in a coma, in the late stages of dementia or near the end of life.

A living will is a written, legally binding document that informs your doctors about your preferences for medical care at the end of life. Because these are legal documents, you may use a lawyer to help you understand and write a living will. However, you do not need to. With a little research and reflection, you may create your own living will with ease and for no cost.
