[The Wayfarer Redemption 1 Sara Douglass](#)

The Wayfarer Redemption by Sara Douglass is one of the better fantasy books I've read. This is an epic tale in every sense of the word. The characters are complex and well-thought out, while the plot builds in layers revealing a complex tapestry of plots and sub plots that will leave the reader racing through its pages to find out what will happen next.

Sara Douglass's first book, The Wayfarer Redemption: BattleAxe was a great start to what seems to be a very good series. It took me a few chapters before I really got into it, but then I was hooked!
