[Under The Skin By Michel Faber](#)

Recalling writers such as Jim Crace and Russell Hoban, Under the Skin, like Faber's short stories, is an extremely assured and imaginative work. * * Observer * * Under the Skin is a shocking and fantastical take on modern humanity. * * The Week * * "One measure of a book is its stickability, its ability to remain in the mind long after being read. Michel Faber's Under the Skin passes this test with ease, or should that be unease? Faber builds a credible thriller on what seems the shakiest of ...

The one thing that can be said with certainty is that Under the Skin is unlike anything else you have ever read. Faber's control of his medium is nearly flawless. Applying the rules of psychological realism to a fictional world that is both terrifying and unearthly, he nonetheless compels the reader's absolute identification with Isserley.

Under the Skin is a 2000 science fiction novel by Michel Faber. Set in northern Scotland, it traces an extraterrestrial who, manifesting in human form, drives around the countryside picking up male hitchhikers whom she drugs and delivers to her home planet. The novel, which was Faber's debut, was shortlisted for the 2000 Whitbread Award.

"Newsday" In this haunting, entrancing novel, Michel Faber introduces us to Isserley, a female driver who cruises the Scottish Highlands picking up hitchhikers. Scarred and awkward, yet strangely erotic and threatening, she listens to her hitchhikers as they open up to her, revealing clues about who might miss them if they should disappear. A grotesque and comical allegory, "Under the Skin" takes us on a heart-thumping ride through dangerous territory our own moral instincts and ...

Faber's attack on contemporary morality and hypocrisy is unsparing and leaves few human virtues unscathed. Although the message of Under the Skin is ultimately compassionate and humane, the book is not for the faint-hearted or squeamish.

[Under The Skin by Michel Faber – Canongate Books](#)

Michel Faber's novel, Under the Skin, is a science fiction tale that is propelled by feminist and ecocritical themes that explore language and our complicity in oppressive systems which we might not control, but do often facilitate and benefit from. The work is not as fast paced and technologically involved as most works of science fiction. Indeed, it is not even obvious that it is a work of ...

? Michel Faber, Under the Skin. 8 likes. Like "The variety of shapes, colours and textures under her feet was, she believed, literally infinite. It must be. Each shell, each pebble, each stone had been made what it was by aeons of submarine or subglacial massage. The indiscriminate, eternal devotion of nature to its numberless particles had an emotional importance for Isserley; it put the ...

? Michel Faber, quote from Under the Skin "Strange how a specimen like him, well cared for, healthy, free to roam the world, and blessed with a perfection of form which would surely have allowed him to breed with a greater selection of females than average, could still be so miserable. By contrast, other males, scarred by neglect, riddled with diseases, spurned by their kind, were ...
