Under the Vale and Other Tales of Valdemar is the seventh anthology of short fiction set in Velgarth (not just Valdemar). It is the weakest of the seven. Several stories are further episodes in the lives of characters introduced in earlier anthologies, and invariably the newer stories are less interesting than the older ones.

About Under the Vale and Other Tales of Valdemar. In March 1987, a young author from Oklahoma published her first novel, Arrows of the Queen. This modest book about a magical land called Valdemar was the beginning of a fantasy masterwork series that would span decades and include more than two dozen titles. Now readers can travel to the world of Valdemar with Tanya Huff, Mickey Zucker Reichert ...
