This book delves deeper into the Enneagram typology than the more quickly-read Riso/Hudson book, "Discovering Your Personality Type," (2003). It discusses the "Passion, Virtue, Fixation, and Holy Idea" of each type, so that the book is more psychological in orientation. It contains a section on 'misidentifications' of types -- how certain types are similar to each other and how to discern the difference between them; and it has a section on "Advanced Topics," which, among other things ...
