"The current political system in place in the United States at the dawn of the twenty-first century is fascism," he writes in *Understanding the F-Word: American Fascism and the Politics of Illusion*. "Of course, we don't call it that. We like to call it 'democracy.' Nonetheless," MacGowan adds, "it looks an awful lot like fascism."

[Understanding the F-Word: American Fascism and the ...](#)

Many scholars use the word "fascism" without capitalization in a more general sense, to refer to an ideology (or group of ideologies) which was influential in many countries at many different times. For this purpose, they have sought to identify what Roger Griffin calls a "fascist minimum"—that is, the minimum conditions that a certain political movement must meet in order to be considered ...

[Understanding the F-Word: American Fascism and the ...](#)

The United States, as a whole, is not a fascist country. There are many places in states and localities where democracy thrives. The federal Republican Party, however, has become a fascist institution. The term "Fascism" gets thrown around too easily. In this case it is not being used casually. Let's evaluate the Republican Party using the main characteristics of Fascism as it
